## - FAMILY FUNDRAISING SUCCESSES -

## FIFTH ANNUAL WINE STEIN AND DINE

Tina's Hope for a Cure Foundation, founded by Denice and Mark Flerchinger, hosted the Fifth Annual Wine Stein and Dine in honor of their daughter Tina. This community gathering raised an incredible \$100,000 for cystinosis research. We are grateful to the Flerchinger family, volunteers and the Lewiston, Idaho community for their continued support and commitment to finding the cure for cystinosis.

## A DAY IN THE PARK

Ashton and Stephen Jenkins organized A Day in the Park fundraising event held in honor of their sons Sam and Lars and with the support of their family and friends they raised more than \$14,000 to help fund cystinosis research. We appreciate your commitment to the cystinosis community and joining in the quest for the cure!

## LOTS OF LOVE FOR LANDON CHARITY GOLF OUTING

We are grateful to Lauren and Jimmy Hartz and everyone who participated in the Lots of Love for Landon Charity Golf Outing. Your support helped raise more than \$16,847 for cystinosis research. Thank you to Jason Whitfield and his team for their unwavering dedication to Landon and for making the event another great success.

Participation in the registry offers every member of our community a role in cystinosis research. As a member you will be able to get answers to cystinosis-related questions directly from cystinosis researchers and doctors, and stay informed about ongoing and upcoming clinical trials. Join today and be part of the cure.
