### - FAMILIES UNITED FOR A CURE -

### SECOND ANNUAL SWING SHOOT AND LIV GOLF CLASSIC

*Saturday, September 20, 2014, Saugeen Golf Club,  
Port Elgin, Ontario, Canada* - Olivia Little and her sister Harper led the 216 golfers onto the 27-hole course for the shotgun start of the second annual golf classic in honor of Olivia Little. The perfect day of golf was followed by a dinner celebration with over 240 attendees. Congratulations to Erin and Chad Little and the Saugeen Shores Winterhawks for hosting a tremendously successful tournament which has raised more than \$100,000. Visit [www.livalittlefoundation.com](http://www.livalittlefoundation.com) and be part of the cure!

## - FAMILY FUNDRAISING SUCCESSES -

### HEARTS FOR HADLEY

The Boise Idaho community opened their hearts September 13 at the Hearts for Hadley Celebration

raising more than \$50,000 for cystinosis research. Thank you to everyone who attended for your support to find a cure for cystinosis. Congratulations to Marcu and Ben Alexander for organizing this extraordinary event in honor of their daughter Hadley. [Visit the Facebook page.](#)

## THIRD ANNUAL FORE FATHERS MEMORIAL GOLF TOURNAMENT

The JCFG Memorial Tournament was held September 13 in honor of four fathers who passed away in their 60's from heart related diseases. Congratulations to Karen McCullagh and her family for hosting the event in honor of Karen and Don's son Andrew Cunningham. They raised an amazing \$53,000 to share between the Heart & Stroke Foundation and Cystinosis Research. To be part of next year's tournament [contact Karen McCullagh.](#)

Participation in the registry offers every member of our community a role in cystinosis research. As a member you will be able to get answers to cystinosis-related questions directly from cystinosis researchers and doctors, and stay informed about ongoing and upcoming clinical trials. Join today and be part of the cure.
