

Spend 30-minutes with a cystinosis expert!

Join us in this virtual event
on ocular symptoms of cystinosis for
patients, caregivers, and their families

Sponsored by:

WWW.CYSTINOSIS in **FOCUS.COM**

A new website with resources on eye care for people and their families living with cystinosis

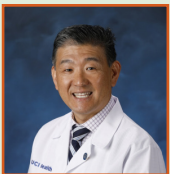

Join our virtual event to hear from an eye care specialist about the impact of cystinosis on your eyes, practical tips, and management strategies

Whether you have questions, seek insights into ocular symptoms of cystinosis, or want to hear from an eye care specialist, these virtual live events will provide practical information for patients and their families. The content is relevant for adult patients, newly diagnosed patients, and family members.

What these virtual events offer patients, caregivers, and their families

An expert physician who specializes in treatment of ocular symptoms of cystinosis will provide:

- Valuable information on disease-specific topics
- Strategies that may help you maintain your eye health
- Answer your questions about how cystinosis may affects your eyes

Donny W. Suh, M.D.,
FAAP, MBA, FACS
